1 Introduction

2 Company

3 Work done

3.1 How to cite an article

To cite an article, you need to add an entry in the 'bibliography.bib' then you can cite it like this [1]

3.2 How to define and use Acronyms

To use acronyms, define them in the section 5.4 and use them like this :

- The first time it is used : Super Useless Acronym (SUA)
- the second time it is used : SUA
- If you want the full name : Super Useless Acronym (SUA)

4 Conclusion

5 Annexes
